Elder Abuse Advocacy and Outreach Program (EA)

RE: FY 2008/09 REQUEST FOR APPLICATION (RFA)

The Governor's Office of Emergency Services (OES), Law Enforcement and Victim Services Division is pleased to announce the release of the Elder Abuse Advocacy and Outreach (EA) Program Request for Application (RFA) for Fiscal Year (FY) 2008/09.

The grant period will begin October 1, 2008 and end on September 30, 2009.

PLEASE NOTE: FY 2008/09 program funding may be reduced from current funding levels. This is a result of proposed federal budget reductions for Victim of Crime Act (VOCA) funding.

OES has and will continue to make every effort to reduce the potential impact any federal reductions have upon victim services. However, execution of this grant award is contingent upon the Governor's Office of Emergency Services' (OES) approval of all required grant documents, passage of the State Budget Act, availability of Federal funds, and past project performance. If the federal award to the State is less than anticipated, projects may see a reduction in funding and new budget pages will need to be submitted at a later date. Should funds be identified to offset these decreases, grants will be augmented proportionately.

Projects must budget for a twelve (12) month grant period in accordance with their grant period as stated in Part I, C. *Application Due Date(s) and Submission Options*. The allocation for each program is \$110,000 with a required 20% match based on the total project cost. As stated above, if the funding amount changes, you will be notified and required to submit new budget pages reflecting the new amounts. Continuation funding beyond the grant period end date is contingent upon the availability of future VOCA funds for the purposes of the EA Program.

Accurate and complete submission of information requested in this RFA will expedite timely processing of your application. Please pay particular attention to:

- *Line-item detail* is required for *each budget item*, along with justification for how the item ties to the objectives and activities of the SE grant;
- *Mathematical calculations* for all line-item expenses;
- *Original signatures* by designated individuals, in the correct section(s) of the form(s); and
- *After hours/emergency contact information* be provided at the end of the project narrative.

Continuation of changes first introduced in last year's Elder Abuse Advocacy and Outreach Program RFA are as follows:

- Fillable Application Forms – The forms are available online and are not included in the RFA packet. Please see instructions at the top of the RFA, Part IV, Checklist and Required Sequence form for access to the (FORMS) link at www.oes.ca.gov. Several of the forms have been revised. Please **do not** use forms from grant years prior to 2007-08, as it may hold up the processing of your grant application into award. An Excel Workbook is also available online with spreadsheets for each of the three budget categories.
- Signature Authorization Form – The Project Director and Financial Officer are required to sign this form and submit it with the Grant Award Forms package, whether or not authorization will be given to other individuals to sign grant documents on their behalf.
- Part III – Additional Information – This section was added in FY 2007/08 to provide additional guidance to applicants in completing the Grant Award Application packet.
- Equipment Purchases: The amount of purchase for furniture and office equipment to be included in the Operating Expenses Budget Category page(s) of the application was changed from an acquisition cost of \$1,000 or less to \$5,000 or less.

The Elder Abuse Advocacy and Outreach Program's RFA e-mail announcement includes a link to the RFA. The RFA and forms you need are also available on our website at www.oes.ca.gov/Law Enforcement & Victim Services Division/RFA Funding Information. The forms needed to complete the application are located in (FORMS).

To receive continuation funding in FY 2008/09, applicants must complete and return the application package to OES as stated in Part I, C. *Application Due Date(s) and Submission Options*. Extensions requests will be reviewed and approved on a case by case basis. However, depending on the length of extension requested, it may delay the ability to process the application into grant award by October 1, 2008.

Should you have any questions, please contact Bill Swearingen at (916) 324-3217 or via e-mail at Bill.Swearingen@oes.ca.gov.

Sincerely,

Ellie Jones, MSW, Chief
Victim Services Branch

D. ELIGIBILITY

Eligibility is restricted to grantees funded through the 1998/99 Elder Abuse Advocacy and Outreach Program's (EAAOP) Request for Proposals (RFP). To receive funding under this program, applicants must also be designated by their local County Board of Supervisors as the County's Victim/Witness Assistance Center and be either a local unit of government, or a non-profit organization, currently operational and receiving OES grant funding for the Elder Abuse Advocacy and Outreach Program (EAAOP). It is anticipated that this will be the final year of the multi-year funding cycle resulting from your successful proposal, submitted during the last EAAOP's RFP process.

E. FUNDS

Funding provided by this application is for a twelve (12) month period. The grant award period will begin October 1, 2008 and end September 30, 2009.

It is anticipated there will be approximately \$1,611,720 available to fund the Elder Abuse Advocacy & Outreach Program in FY 2008/09 (please see statement in cover letter regarding possible reduction in funding). Funds for this Program are derived from Victim of Crime Act (VOCA), and your required local match funds of 20% of the Total Project Cost. The match may be met through cash and/or in-kind contributions. Funds designated as match are restricted to the same uses as VOCA funds. All match specified in the budget will become part of the grant award. The budget pages must clearly reflect those items that are meeting the VOCA match requirement. **Federal monies must not be used to meet the match requirement.**

Refer to the Elder Abuse Advocacy & Outreach Program Funding Chart, at the end of Part III of this RFA, for your agency's FY 2008/09 funding allocation.

Allocations listed on the funding chart are provisional amounts based on the FY 2007/008 award. If the funding amounts change due to any funding reductions, you will be notified and required to submit new budget pages reflecting the new amounts.

The OES will make continuation funding available for Elder Abuse Advocacy & Outreach projects contingent upon approval of the FY 2008/09 State Budget Act being passed by the California State Legislature. The funds must be included in the state budget approved and signed by the Governor. The amount of continuation funding reflected in the Funding Chart is also contingent on approval of VOCA funding at last year's level from the federal government.

Source and Use of Funds - Federal funds available for FY 2008/09 are as follows:

Federal Victims of Crime Act (VOCA)

The VOCA grant program is authorized by the Victims of Crime Act of 1984, as amended, 42 U.S.C. 10601, *et seq.* VOCA authorizes federal financial assistance to states for the purpose of compensating and assisting victims of crime, providing funds for training and technical assistance and assisting victims of federal crimes. The following guidelines apply to VOCA funds:

- Funds may be used for organizational memberships in no more than three national or state criminal justice or victims' organizations per year.
- Funds are restricted to the provision of direct services for crime victims.

- Funds may be used for administrative costs supporting direct client services, e.g. data collection.
- Funds may NOT be used for indirect costs, which must be computed using the rate specified in the Grant Recipient Handbook, Section 2220, and must be paid with other fund sources.
- Funds may NOT support services and activities to incarcerated individuals even when the service pertains to the victimization of that individual.
- Funds may be used for costs related to conducting community and school presentations when the primary purpose of the presentation is to identify crime victims and provide, or refer, victims to needed services (e.g., salaries, materials, brochures and newspaper notices).
- Applicants must use volunteers unless there is a compelling reason to waive this requirement.
- Applicants must not charge crime victims for services provided under the V/W Assistance Program.
- Applicants must promote coordinated public/private efforts to aid crime victims (participate on state/federal/local task forces, commissions, working groups, coalitions, etc.), and develop written agreements contributing to better services for crime victims. These types of activities benefit crime victims and must be undertaken by victim service organizations in order to be eligible to receive VOCA funds. Therefore, these types of activities may not be supported with VOCA funds, which are restricted in their use to provision of direct victim services.
- Original publications (written, visual or sound) produced in whole or in part with VOCA funds must contain the following statement:

Funding is made possible through the United States Department of Justice, Victims of Crime Act.

By signing and submitting this application the applicant/grantee certifies that it will comply with the requirements of the Act. The applicant/grantee further agrees that it will require the language in this certification be included in any sub-awards which contain provisions for the victim/witness assistance services and that all sub-grantees shall certify accordingly.

Match Requirement (VOCA and/or VAWA Funds)

All projects receive VOCA funds. Projects **must** clearly identify staff positions, including match, paid from all funding sources in the budget pages. VOCA funds and the required match are restricted to direct services to crime victims. In addition, services to **witnesses** other than the crime victim are prohibited with VOCA funds, and their required match.

The federal program guidelines specify a cash/in-kind match of 20 percent for VOCA. When used to augment the project, expenditures for items such as personnel, operating expenses or equipment are considered a match if not in violation of prohibition on supplanting (see Supplanting Prohibited). Details regarding match categories and instruction for calculating match are stated below and are included in the budget section of the application forms package.

Federal VOCA requirements **DO NOT** allow federal funds to be used for administrative costs, lobbying or community prevention/education programs except for the identification and provision/referral of services for crime victims. Projects may, however, budget up to \$2,000 of the federal amount, or amount equal to one and a half percent (1.5%) if the grant exceeds \$150,000, for the required fiscal audit.

To calculate the match, divide the grant award amount by 80 percent (for VOCA) or 75 percent (for VAWA) to determine the total project cost, then subtract the grant award amount to determine local match.

<u>TOTAL PROJECT COST EXAMPLE</u>		
	<u>VOCA (80%)</u>	<u>VAWA (75%)</u>
Grant Amount	= \$50,000	= \$50,000
Divide \$50,000 by .80/.75	= \$62,500 (Total project cost)	= \$66,667 (Total project cost)
Subtract Grant Amount	= \$50,000 (80%)	= \$50,000 (75%)
Local Match	= \$12,500 (20%)	= \$16,667 (25%)

F. PROGRAM INFORMATION

The primary goal of the Elder Abuse Advocacy and Outreach Program (EA) is to enhance the safety of elder and dependent adults in California by establishing funded victim advocacy positions under the administrative authority of a criminal justice agency (i.e., police or sheriff's departments, district attorneys offices, or probation departments) to provide services to elder victims of crime, coordinate direct services in an enhanced response to allegations of elder abuse among locally involved agencies and implement an outreach awareness program for reporters of elder abuse and criminal justice personnel, senior citizens and the public.

The following is a listing of services and activities allowable under the EA Program with VOCA victim assistance grant funds:

1. Services which immediately respond to the emotional and physical needs (excluding medical care) of crime victims such as crisis intervention; accompaniment to hospitals for medical examinations; hotline counseling; emergency food, clothing, transportation, and shelter; emergency legal assistance such as filing restraining orders; and other emergency services that are intended to restore the victim's sense of dignity, and self-esteem.
2. Services and activities that assist the primary and secondary victims of crime in understanding the dynamics of victimization and in stabilizing their lives after a victimization such as counseling, group treatment, and therapy. "Therapy" refers to intensive professional psychological and/or psychiatric treatment for individuals, couples and family members to provide emotional support in crises arising from the occurrence of crime. This includes the evaluation of mental health needs, as well as the actual delivery of psychotherapy.
3. Services that are directed to the needs of the victims who cooperate in the criminal justice system. These services may include advocacy on behalf of crime victims; accompaniment to criminal justice offices and court; transportation to court; child care to enable a victim to attend court; notification of victims regarding trial dates, case disposition information, and parole consideration procedures; and restitution advocacy and assistance with victim impact statements.

4. Additional activities that are necessary and essential to providing direct services such as transportation costs for victims to receive services, emergency transportation costs that enable a victim to participate in the criminal justice system, and local travel expenses for direct service providers.
5. Services which assist crime victims with managing practical problems created by the victimization such as acting on behalf of the victim with other service providers, creditors, or employers; assisting the victim in recovery of property retained as evidence; assisting in filing for compensation benefits; and helping to apply for public assistance.
6. Supervision of direct service providers. VOCA funds may be used for supervision of direct service providers if such supervision is necessary and essential to providing direct services to crime victims. For example, a coordinator of volunteers or interns is a cost-effective way of serving more crime victims.

Projects funded through the Elder Abuse Advocacy & Outreach Program are required to perform the activities mandated in Sections 13835.4 through 13835.5 of the Penal Code.

G. SERVICE STANDARDS

There are two categories of victim and witness services: Mandatory and Optional.

Mandatory Services

The following services are primary to the maintenance of a comprehensive victim/witness center and respond to the basic rights and needs of victim and witnesses. The term client is synonymous with victim or witness:

1. Crisis Intervention

Intervention is any in-person or telephone contact with a client who, at any time, has been negatively affected or is in emotional crisis as a result of a crime or potential crime. After victimization, when the client is in need of crisis counseling the center shall provide the necessary intervention services and arrange for the provision of needed services by local service agencies, as frequently as needed.

2. Emergency Assistance

Emergency assistance is any immediate financial intervention in response to a client's basic material needs, within the first 24 hours after in-person or telephone contact is made with the victim/witness.

At the initial or subsequent contact and assessment of a client's material needs, projects must provide and/or arrange emergency assistance and appropriate local agency services if needed. Assistance provided directly by the projects is subject to availability of resources.

3. Resource and Referral Assistance

Resource and referral assistance is a non-emergency referral, based on the client's request or advocates assessment, to individual(s) or agencies that may provide goods or services necessary to the client, but not provided by the center.

Centers are also encouraged to initiate contact with all appropriate local agencies and form local committees to meet regularly in coordinating services to victims.

4. **Direct Counseling/Therapy**

Direct counseling/therapy refers to intensive professional psychological and/or psychiatric treatment for individuals and family members related to counseling to provide emotional support in crisis arising from the occurrence of crime. This includes the evaluation of mental health needs, as well as the actual delivery of psychotherapy.

5. **Victim of Crime Claims**

The Victim/Witness Assistance Center will inform and assist clients in preparing applications for compensation. The advocate's role does not include determination of eligibility of a client. Advocates should not discourage a client from filing an application. Centers shall inform clients of the right to file an application; however, centers are not required to represent all clients in the compensation process.

The amount of time an advocate spends assisting a client with the application process will be determined by the center on a case-by-case basis as part of the advocate's role as a case manager.

6. **Property Return**

Upon request from the client, centers must actively assist in obtaining the return of a client's property held as evidence by the criminal justice system. In cases where property cannot be returned, an explanation will be provided to the client or family member.

7. **Orientation to the Criminal Justice System**

As needed, centers will provide clients with in-person or telephone information on the location, procedures and functioning of the local criminal justice system. Centers should have printed information available in languages appropriate to local ethnic or language needs.

8. **Court Escort**

Upon the request of the client or as deemed necessary by the center's staff, provide information on the case and/or support during court appearances or interviews with law enforcement and prosecutors. ***The client must have physical accompaniment for the "Court Escort" service to be counted.*** Clients who are assisted by staff in preparation for court appearances or interviews, but are not accompanied, are being provided "Orientation to the Criminal Justice System," and that service should be counted.

9. **Presentations and Training for Criminal Justice Agencies**

Centers will conduct informational presentations regarding resources available through victim/witness centers and available services to criminal justice agencies, explaining the rights and needs of victims. **NOTE: VOCA funds cannot be used for these activities.**

10. Public Presentations and Publicity

Projects must promote public awareness of their services that identify and refer crime victims to services through the use of public media (e.g., newspapers, radio, television) and presentations to victim services organizations and community groups, service organizations and community groups, service clubs, and schools. Centers are encouraged to participate in media/public awareness related events promoting victim services, including the annual Victims' Rights Week.

11. Case Status/Case Disposition

Upon request from the client, centers will advise client of the progress and disposition of their case as it progresses through the criminal justice system.

12. Notification of Family/Friends

Upon request from the client, centers will notify a client's relatives and/or friends of the occurrence of a crime and the client's condition as a result of that crime.

13. Employer Notification/Intervention

Upon request from the client, centers will inform an employer(s) that their employee was a victim/witness to a crime, and/or notify the employer(s) as to the condition of the client as a result of the crime. Upon request from the client, encourage the employer(s) to minimize any loss of pay or other benefits, where the occurrence of the crime has caused, or will cause an employee to lose time from work as a result of participation in the criminal justice system.

14. Restitution

Upon request from the client, assist in obtaining restitution, ascertaining the client's economic loss, and providing the probation department, district attorney and court with information relevant to the client's losses prior to the imposition of sentence. After sentence is imposed, the advocate should refer the client to the appropriate agency having jurisdiction over the offender. **NOTE: VOCA funds cannot be used for these activities.**

Optional Services

The following services are not required, but may be provided by the project if time and resources are available:

1. Employer Intervention

Any other intervention with the client's employer not provided in Mandatory Services.

2. Creditor Intervention

Intercede on behalf of clients requesting assistance in informing creditors of their temporary inability to meet current financial obligations due to the aftermath of the crime.

3. Child Care Assistance

The center may assist with arranging for temporary childcare while a client is appearing in court, meeting with prosecution or law enforcement officials or otherwise taking part in criminal justice proceedings. The advocate shall not provide direct childcare.

4. Witness Notification

This service pertains to notification of cancellations or changes in scheduled court appearances for witnesses in project related cases. **NOTE: Services to witnesses other than the crime victim are prohibited with VOCA funds.**

5. Funeral Arrangements

Upon request from the client, assist family members of deceased victim/witness with funeral/burial arrangements.

6. Crime Prevention Information

Make available crime prevention information to victims and other persons. **NOTE: VOCA funds cannot be used for these activities.**

7. Witness Protection

Arrange for law enforcement protection or relocation to a new residence when a witness' safety is threatened. **NOTE: Services to witnesses other than the crime victim is prohibited with VOCA and VAWA funds.**

8. Temporary Restraining Order (TRO) Assistance

Assist client in obtaining temporary restraining orders.

9. Transportation Assistance

Assist with arranging or providing transportation for victims and witnesses.

10. Court Waiting Area

Provide a waiting area for victims and witnesses during court proceedings separate from defendants, defendant's families, and/or friends of defendants.

H. ADA COMPLIANCE

Applicants must be in compliance with the Americans with Disabilities Act (ADA) of 1990, 42 U.S.C. 12101, et. Seq. and Title 28 of the Code of Federal Regulations, part 35. The applicant shall operate so that each service is accessible to and usable by individuals with disabilities. Applicants may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternative accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock or other conveyances, or any other methods that result in making its services, programs, or activities readily accessible to and usable by individuals with disabilities.

Applicants must ensure that communication with individuals with disabilities is as effective as communication with others without disabilities. This includes the use of telecommunications systems for communications by telephone. Applicants must also ensure that individuals with impaired vision or hearing can obtain information as to the existence and location of accessible services, activities, and facilities, as well as provide appropriate signage. This includes all written materials (i.e. brochures, applications, consents, videos, etc.)

Applicants must ensure that all aspects of employment comply with ADA, including the application process (recruitment, hiring) and employment tasks.

I. CRISIS RESPONSE

OES' *Crisis Response* initiative was developed to guide and assist individual victim/witness assistance centers to more effectively respond to the increasing incidents of mass criminal victimization. Such incidents can overwhelm local victim assistance resources; in many cases, additional resources from outside the impacted county can be made available. OES is working to create a structure that allows for mutual assistance among counties, while ensuring funds and personnel resources are used in the most efficient manner.

Since January 2000, OES has been providing the Basic and Advanced Community Crisis Response training to victim/witness personnel. The training expands the knowledge and skills of the victim advocate to address the needs of groups of victims. OES hopes this training foundation will foster the formation of local/regional multidisciplinary crisis response teams, to better serve victims in a coordinated community response.

OES can provide technical assistance to the county impacted by a serious incident, and can help organize an efficient use of additional resources. The impacted county can request OES be the coordination point for resources from victim/witness assistance centers and other cooperating agencies. OES has agreed with other state agencies to confer with each other when a serious incident occurs, to assure coordination of available resources. These state agencies include the Victim Compensation and Government Claims Board, the Department of Mental Health and the Department of Education.

In the event of an incident in which mutual assistance is necessary, projects are authorized under this RFA to devote grant-funded resources (i.e., personnel and equipment) on a temporary basis to another victim/witness recipient for the purpose of providing direct services to crime victims under this program. ***However, recipients are prohibited from sending victim/witness grant-funded resources to the impacted county without an express invitation from the impacted county and written authorization from OES.*** Personnel that just "show up" can be disruptive and are often an inefficient use of funds.

Participation in providing Crisis Response mutual aid assistance is voluntary. Each county must evaluate with their agency head whether or not they would be expected to assist a neighboring county if requested. A formal operational agreement is suggested.

PART II – INSTRUCTIONS

The instructions in this section correspond to each of the application components and to the forms required to complete the application.

The applicant must use the forms provided in ([FORMS](#)) and plain 8½" x 11" white paper for the application. The blank Project and Budget Narrative pages on the website have been pre-formatted to OES standards. If you create your own computer-generated Project and Budget pages, the format must duplicate the OES pre-formatted pages.

The original and one Copy of the application must be assembled separately and individually fastened with a clip in the upper left corner. ***Do not bind application.***

A. PROJECT NARRATIVE

The project narrative is the main body of information describing the problem to be addressed, the plan to address the problem through appropriate and achievable objectives and activities, and the ability of the applicant to implement the plan.

1. Problem Statement (maximum 1 page)

The performance history/problem statement section is a narrative that explains the development of your center and how it has evolved. Describe the resources you have and any growth in services. Explain what is missing today in terms of services and resources. For example, do you address all crime or do you limit to specific crimes and services due to the lack of available resources? Look at this as a report of your project's past performance, then describe what is still needed and why. Address any particularly unique problem in your county and why it is a problem.

2. Plan and Implementation (not limited to one page)

Describe the activities you will take to establish and maintain the following service requirements:

- Provide the mandatory services to victims of all types of crimes;
- Conduct field visits and, when appropriate, provide intervention and counseling services;
- Recruit and use volunteers to augment paid staff in the delivery of victim and witness services. In addition, centers must provide new and continuing volunteers with both structured and on-the-job training appropriate to their specific assigned duties. **Discuss how your agency fulfills the mandatory requirement of VOCA to recruit and use volunteers, including how their time is documented. Applicants must use volunteers unless there is a compelling reason to waive this requirement.** Also, centers must conduct a background check (i.e., fingerprinting, name check, etc.) on all prospective volunteers prior to acceptance into their program and assignment of duties (**VOCA funds cannot pay for this service**);

- Provide services that are responsive to the special needs of victims (e.g., elderly or dependent adult victims). Include a description of how the project is designed to provide the following legislated special services to victims in conjunction with mandatory and optional services:
 - hearing impaired;
 - disabled;
 - elderly;
 - dependent adult, and
 - field visits; and
- Employ multi-lingual staff and/or maintain a listing of available translators.

Describe how, from where, and when, the project receives referrals. Projects are encouraged to review their existing referral procedures to ensure they are receiving referrals on the most serious cases likely to result in trauma to the victim or victim's family.

Give a description of working relationships with other agencies and the content of operational agreements (OAs). At a minimum, projects should have OAs with local Domestic Violence Centers and Rape Crisis Centers. *The OAs must contain original signatures, titles, and agency names for both parties and include dates effective for the proposed grant period.* This document must demonstrate a formal system of networking and coordination with other agencies and the applicant. A sample OA is provided in *Recipient Handbook, Appendices, and Forms*.

The Application Appendix must include a **current** organizational chart with all positions funded by the project, including supervisors as appropriate. It must show the relationships between the governing body, the organization, the project, project staff, project volunteers and the lines of supervision. Job titles on the organizational chart must match those in the Budget.

The Application Appendix must also include a listing of "Multiple Field Offices" if more than one site exists within the county providing services to victims and "after hours" telephone contact numbers for their project as specified in this RFA, Part I, Section H, Multiple Field Offices.

B. PROJECT BUDGET

The purpose of the project budget is to demonstrate how the applicant will implement the proposed plan with the funds available through this program. Project costs must be directly related to the objectives and activities of the project. The budget must cover the entire grant period. In the budget, include **only** those items covered by grant funds, including match funds when applicable. The applicant may supplement grant funds with funds from other sources. However, since approved line items are subject to audit, the applicant should not include in the project budget matching funds (if applicable) in excess of the required match. Budgets are subject to OES modifications and approval.

OES requires the applicant to develop a **line item** budget which will enable the project to meet the intent and requirements of the program, ensure the successful and cost effective implementation of the project. Failure of the applicant to include required items in the budget does not eliminate responsibility to comply with those requirements during the implementation of the project. The applicant should refer to the *Recipient Handbook* at www.oes.ca.gov for additional information concerning OES budget policy or to determine if specific proposed expenses are allowable.

Contact the person listed on page 1-subsection B of this RFA should you have additional budget questions.

1. **Budget Narrative**

The applicant is required to submit a narrative with the project budget. The narrative must be typed and placed in the application in front of the budget pages. In the narrative describe:

- How the applicant's proposed budget supports the objectives and activities.
- How funds are allocated to minimize administrative costs and support direct services.
- The duties of project-funded staff, including qualifications or education level necessary for the job assignment. This does not take the place of the brief justification required in the line item budget.
- How project-funded staff duties and time commitments support the proposed objectives and activities.
- Proposed staff commitment/percentage of time to other efforts, in addition to this project.
- The necessity for subcontracts and unusual expenditures.
- Mid-year salary range adjustments.

2. **Specific Budget Categories**

All counties receive an allocation of Victims of Crime (VOCA) Funds. All expenditures on the budget pages **must** be identified by funding source, including match items. The budget categories are separated into VOCA funds and Match. The category total should encompass **ALL** funding sources, as applicable.

Each budget category requires line item detail including the method of calculation and justification for the expense. Enter the amount of each line item in the right hand column of the Budget Category form. Charges must be clearly documented **and rounded up to the nearest whole dollar**. Enter the total amount of the budget category at the bottom of the form.

If additional pages are needed, total only the last page of each budget category. The total of the budget including each funding source and/or match amount must correspond to the amount of the Total Project Cost (block 10G) on the Grant Award Face Sheet.

The bottom of the Equipment Category form contains a format for identifying the project total and fund distribution. This section must be completed and submitted even if there are no line items identified in the equipment category.

There is an Excel Workbook in "Forms" ([FORMS](#)) with spreadsheets for each of the following three budget categories:

- Personal Services – Employee Salaries/Benefits;
- Operating Expenses; and
- Equipment.

The left column of each budget category on the Spreadsheet requires line item detail including the calculation and justification for the expense. Enter the amount of each line item and match in the correct column of the Budget Category form. The spreadsheet will add each addition and round off the nearest whole dollar. You may add extra rows if necessary, the spreadsheets total at the end of each budget category and total the three spreadsheets at the bottom of the last page (Equipment). The total of the budget including each funding source and/or match amount must correspond to the amount of the Total Project Cost (Block 10G) on the Grant Award Face Sheet.

a. Personal Services – Salaries/Employee Benefits (OES A303a):

1) Salaries

Personal services include services performed by project staff directly employed by the applicant and must be identified by position and percentage of salaries. These may be salaried or hourly, full-time or part-time positions. Sick leave, vacation, holidays, overtime, and shift differentials must be budgeted as salaries. If the applicant's personnel have accrued sick leave or vacation time prior to the approval of grant funding, they may not take time off using project funds. Salaries for staff not directly employed by the applicant must be shown as participating staff (see *Recipient Handbook*, Section 4500) the Operational Expenses Category. Consultant services remain under Operating Expenses (refer to Part II, B.2.b. - Operating Expenses - paragraph two.)

2) Benefits

Employee benefits must be identified by type and percentage of salaries or monthly charge. The applicant may use fixed percentages of salaries to calculate benefits. Budgeted benefits cannot exceed those already established by the applicant.

Employer contributions or expenses for social security, employee life and health insurance plans, unemployment insurance, and/or pension plans are allowable budget items. Benefits, such as uniforms or California Bar Association dues, are allowable budget items if negotiated as a part of an employee benefit package.

A line item is required for each different position/classification, but not for each individual employee. If several people will be employed full-time or part-time in the same position/classification, provide the number of full-time equivalents (e.g., three half-time clerical personnel should be itemized as 1.5 clerical positions).

b. Operating Expenses (OES A303b):

Operating expenses are defined as necessary expenditures other than personal salaries, benefits, and equipment. Such expenses may include specific items directly charged to the project, and in some cases, when permitted by the funding source, an indirect cost allowance. The expenses must be grant-related (e.g., to further the program objectives as defined in the grant award), and be encumbered during the grant period.

The following items fall within this category: consultant services such as subcontractors, participating staff who are not employed by the applicant, travel, office supplies, training materials, research forms, equipment maintenance, software equipment rental/lease, telephone, postage, printing, facility rental, vehicle maintenance, answering service fees,

and other consumable items. Furniture and office equipment with an acquisition cost of less than \$5,000 per unit (including tax, installation, and freight) and/or with a useful life of less than one year fall within this category. Otherwise these call under equipment expenses.

Salaries for staff not directly employed by the applicant must be shown as consultant and/or participating staff costs (whichever is applicable per *Recipient Handbook* Sections 3710 and 4500) under the Operating Expenses category. These costs must be supported by an Operational Agreement (OA), which must be kept on file by the recipient and made available for review during an OES site visit, monitoring visit, or audit. In the case of grants being passed through a recipient to be operated by another agency, the staff from the second agency will be shown in the Operating Expenses category.

All applicants must budget for a minimum of one OES-sponsored training session during the grant year. A minimum of two project staff from each participating agency must attend each training conference. One of the project staff must be the financial officer, or his/her designee, listed on the Grant Award Face Sheet. Applicants should budget a minimum of \$200 for registration fees for each person plus the state per diem rate.

c. Equipment (OES A303c):

Equipment is defined as nonexpendable tangible personal property having **a useful life of more than one year** and an acquisition cost over \$5,000 per unit (including tax, installation, and freight).

A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three laser jet printers must be one line item, not three).

C. APPLICATION APPENDIX

The Application Appendix provides OES with additional information from the applicant to support components of the application. The following must be included:

- **Operational Agreements (OAs) Summary Form** must be completed and included in the Application Appendix. Maintain actual OAs on file at the project (available to OES program staff upon request), but **do not submit** with this Application. List those agencies, organizations and individuals with whom the project will have OAs for FY 2008/09 and the years covered by those agreements (one, two or three years). A new OA need not be obtained if the current one covers FY 2008/09. When this is not the case, a new OA for FY 2008/09 must be obtained. OAs must be **on file at the project** by October 1, 2008.

OA's must be dated and contain original signatures, titles, and agency names for both parties. At a minimum, each Elder Abuse Advocacy and Outreach Program should have OA's with local Domestic Violence Centers and Rape Crisis Centers. The OA should include each agency's roles and responsibilities and the services/resources they will be providing. For the purpose of this RFA, the terms OA and Memorandum of Understanding (MOU) are synonymous.

PART III – ADDITIONAL INFORMATION

The applicant is strongly encouraged to review the following sections in preparing the application.

- A. Finalizing the Grant Award Agreement
- B. Administrative Requirements
- C. Budget Policy
- D. Glossary of Terms

A. FINALIZING THE GRANT AWARD AGREEMENT

1. Standard Project Funding Authority

Allocation of funds is contingent on the enactment of the State Budget. OES does not have the authority to disburse funds until the budget is passed and the Grant Award Agreement is fully executed. Expenditures incurred prior to authorization are made at the project's own risk and may be disallowed. When the executed grant is received, and the State Budget is finalized, authorized expenditure reports may be submitted for reimbursement of expenditures incurred subsequent to the effective date of the grant award agreement.

If, during the term of the grant award, the state and/or federal funds appropriated for the purposes of the grant award are reduced or eliminated by the California Legislature or the United States Government, or in the event revenues are not collected at the level appropriated, OES may immediately terminate or reduce the grant award by written notice to the recipient. However, no such termination or reduction shall apply to allowable costs already incurred by the recipient to the extent state or federal funds are available for payment of such costs.

OES Grant Award Agreements are subject to applicable restrictions, limitations, or conditions enacted by the California Legislature and/or the United States Government, subsequent to execution of the Grant Award Agreement.

2. Grant Award Conditions

OES may add one or more grant award conditions to the Grant Award Agreement prior to or after funding. If conditions are added, they will be discussed with the applicant and a copy of the conditions will be sent to the grant recipient when the conditions are made part of the Grant Award Agreement. Grant award conditions may include requirements for sole source justification, a computer feasibility study, or other requirements deemed necessary by OES.

3. Grant Award Agreements

A copy of the executed Grant Award Agreement and pertinent attachments will be sent to the Project Director. The recipient is not authorized to incur costs against the grant until a copy of the fully executed Grant Award Agreement is received. When the executed grant is

received and the State Budget is finalized, the Report of Expenditures and Request for Funds (OES 201) may be submitted for reimbursement.

4. Grant Award Amounts

When the amount of funds available is limited, OES may reduce the amount of the grant award from the amount requested by the applicant. In addition, OES reserves the right to negotiate budgetary changes with the applicant prior to executing the Grant Award Agreement. If either of these actions is required, OES will notify the applicant prior to executing the Grant Award Agreement.

B. ADMINISTRATIVE REQUIREMENTS

The Recipient Handbook (RH)

The *Recipient Handbook* is accessible on the OES Internet website at www.oes.ca.gov by selecting “*Recipient Handbook*.” The *Recipient Handbook* contains administrative information and requirements necessary to implement the project. Recipients must administer their grants in accordance with the *Recipient Handbook* requirements. Failure to comply with these requirements can result in the withholding or termination of the grant award.

The information below may be cross referenced with the *Recipient Handbook* (RH) by referencing the handbook section number.

1. Internet Access (RH 11500)

Funded projects are required to maintain Internet access with an established e-mail address. Grant funds may be used for this purpose unless specifically prohibited by the terms of the program.

2. Progress Reports and Data Collection (RH 10100)

Funded projects are required to participate in data collection and to submit progress reports required by the program. Projects are required to keep accurate records to document the information reported in the progress reports. The records must be kept by the project for a period of three years. During site/monitoring visits, OES will review these records for accuracy and compare them with the reported data submitted on the progress reports.

3. Monthly/Quarterly Report of Expenditures and Request for Funds (OES 201) (RH 6300)

Community-based organizations shall submit a monthly Report of Expenditures and Request for Funds (OES 201) unless they request a quarterly reporting period. Government and education agencies receiving funds will be required to report on a quarterly basis. This form is due within 30 calendar days of the end of the reporting period and must be submitted whether or not the project has incurred expenses. Delays in submitting the form OES 201 will result in the withholding of funds and may result in the recommendation to OES' Executive Director for termination of the grant award.

4. Technical Assistance/Site Visits (RH 10300)

Funding project are assigned an OES program specialist to oversee the progress of the project in achieving its goals, objectives and compliance with the Grant Award Agreement. Program specialists are available to assist the project in the successful implementation of the project and in meeting the administrative requirements of the Grant Award Agreement. New projects should expect a site visit from the assigned program specialist within the first six months of the grant period. Follow-up site visits will be conducted periodically throughout the life of the grant. Projects may request a site visit to obtain technical assistance.

5. Monitoring Requirements (RH 10400)

A monitoring visit is an onsite assessment by OES staff to determine if the project is in compliance with the terms of the program, the Grant Award Agreement, the Program Guidelines, the RFA/RFP, and the *Recipient Handbook*. Projects will be monitored on a random or as-needed basis.

6. Bonding Requirements (RH 2160)

Private community-based organizations (CBO) and American Indian organizations are required to obtain and send to OES a notarized copy of a blanket fidelity bond or equivalent insurance contract applicable to officials and employees of OES-funded projects within 60 days of the signed Grant Award Agreement. Failure to comply with this requirement may result in the withholding of grant funds or termination of the Grant Award Agreement. The beneficiary named on the bond or an endorsement must include the "State of California, Governor's Office of Emergency Services" and include the Grant Award number for identification purposes.

The time period covered by the bond must include the effective date and time period of the grant, including extensions. The bond must be in an amount equal to 50 percent (50%) of the total grant award and may have a deductible in an amount not to exceed one percent (1%) of the bond.

A bond is not required of a recipient sponsored by units of government. CBOs sponsored by units of government may submit documentation indicating this in lieu of the bond or insurance contract, unless specifically required terms of the program or grant award conditions.

7. Audit Requirements (RH 8100)

Recipients must arrange for an independent audit of the grant award and may budget a portion of the audit costs. Instructions for budgeting funds for audit costs are outlined in the *RH* Section 2234.

8. Copyrights, Rights in Data, and Patents (RH 5300)

OES owns rights of and reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, and use, in whole or in part, material produced by activities supported by a Grant Award Agreement. These ownership rights are detailed in the *Recipient Handbook*.

9. **Source Documentation (RH 10111)**

Recipients are required to maintain source documentation to support claimed expenditures and project accomplishments. Source documentation is defined as records used to validate project activities and achievements as pertaining to the objectives outlined in the Grant Award Agreement. Recipients are to retain source documentation for progress reports on a quarterly basis regardless of submission requirements. Requirements and definitions for program specific source documentation are delineated in the terms of the program. Recipients will be required to have written job descriptions on file for positions funded by OES detailing specific grant-related activities to achieve project objectives.

C. **BUDGET POLICY**

This document summarizes information on OES Budget Policy contained in the *Recipient Handbook*. Additional information may be obtained by accessing the *Recipient Handbook* at www.oes.ca.gov by selecting “*Recipient Handbook*.”

1. **Supplanting Prohibited (RH 1313)**

Grant funds must be used to supplement existing funds for program activities and ***not replace*** funds appropriated for the same purpose. A written certification must be provided to OES indicating the grant funds will not be used to supplant existing funds. Supplanting will be the subject of application review, post-award monitoring, and audit. The rules on supplanting are found in Section 1313 of the *Recipient Handbook*.

2. **Project Income (RH 6610)**

Project income such as client fees and fees for services provided by the project (i.e., training, presentations, etc.), asset forfeitures, profits from the sale of project products, and conference proceeds as the result of a direct trade of time or products for money, must be used to offset or augment the grant unless otherwise specified in the RFA instructions. Project income cannot be used as matching funds unless otherwise specified in the RFA instructions.

3. **Contract and Procurement (RH 3400)**

A competitive bid process is required to purchase equipment or consultant services with grant funds. Noncompetitive bid contracts are disfavored. Noncompetitive bid request approval by OES program staff is required prior to the purchase of equipment in excess of \$5,000, or to hire a specific consultant charging over \$5,000. Local units of government may use their approved procurement policy except for contracts over \$50,000, which requires prior OES approval. For organizations without a written procurement policy, a competitive bid process involves determining the specifications for the items needed and obtaining at least three bids from different vendors. Whenever a specific individual/organization name is identified in the project budget, a noncompetitive bid request will be required. OES will provide assistance in submitting a noncompetitive bid request if OES determines it is in the best interest of the project. These procedures do not apply to funds shared with participating agencies under the terms of an Operational Agreement (see Section 4500, *Recipient Handbook*).

4. Match Policies (RH 6500)

The RFA Instructions (Part II) may specify a cash or in-kind match. When used to augment the project, expenditures for items such as Personal Services, Operating Expenses, or Equipment are considered match if not in violation of the prohibition on supplanting. Match specified in the budget will become part of the grant award. (Specific instructions for calculating the match are provided in Sections 6550 – 6550.2 of the *Recipient Handbook*.)

5. Travel Policies

The following is OES' current travel policy:

a. Selection of Travel Policy (RH 2236)

The applicant may prepare the budget using its own travel policy or the state travel policy according to the following guidelines. Travel reimbursement will only be allowed based on actual costs.

1) Units of Government

Units of government may use their own written travel policy or the state policy.

2) Community-Based Organizations (CBO)

A community-based organization may use the state travel policy or the applicant's written policy up to the maximum rates allowed by the state travel policy.

b. State Travel Policy (RH 2236.2)

Use the following state travel policy for budgeting travel expenses:

1) Out-of-State Travel

Out-of-state travel is restricted and only allowed in exceptional situations. Requests for approval for out-of-state travel must be submitted for OES approval.

2) Mileage

When a privately owned vehicle is utilized on project-related business, a maximum of 50.5 cents per mile is allowed, unless a higher rate is justified. Documentation justifying a higher rate must be on file and available for audit, but should not be submitted with the application.

3) Meals and Incidentals

a) Breakfast \$6.00

Breakfast may be claimed when travel commences at or prior to 6:00 a.m. Breakfast may be claimed on the last fractional day of a trip of more than 24 hours if travel terminates at or after 8:00 a.m.

b) Lunch \$10.00

Lunch may not be claimed for travel less than 24 hours. Lunch may be claimed if the trip begins at or before 11:00 a.m. and may be claimed on the last fractional day of a trip of more than 24 hours if the travel terminates at or after 2:00 p.m.

c) Dinner \$18.00

Dinner may be claimed if the trip begins at or before 4:00 p.m. Dinner may be claimed when travel terminates at or after 7:00 p.m., whether on a one-day trip or on the last day of a trip of more than 24 hours.

The maximum allowed lodging rate in Los Angeles and San Diego counties is \$110, plus applicable taxes. The maximum for Alameda, San Francisco, San Mateo, and Santa Clara counties is \$140, plus applicable taxes.

6) Other

Taxi, airport shuttle, etc. which exceed \$3.50 must be supported by receipt. Parking in excess of \$10.00 must be supported by receipt.

6. Consultant Services (RH 3710)

Consultant services are provided on a contractual basis by individuals or organizations not direct employees of the applicant (see *Personal Services – Salaries*). Independent contractors must not be used in lieu of employees. Independent contractors are defined as individuals or organizations meeting some or all of the following criteria:

- produce a specific product or service;
- work independently without direct supervision from the applicant;
- work on specific projects;
- provide services for a limited number of hours or period of time; and/or,

- have no agency management or oversight responsibilities directed toward the financial success or direction of the agency.

a. Rates

The maximum rate for independent contractors is \$250 per hour (excluding travel and subsistence costs). A request for compensation for over \$250 per hour requires **prior approval** and additional justification.

1) Independent Contractors Employed by State and Local Government

Compensation for independent contractors will be allowed when the unit of government can not provide services without this cost. In these cases, the rate of compensation is not to exceed the daily salary rate paid by the unit of government.

b. Expert Witness Fees (RH 3710.2)

Projects, which routinely utilize “expert witnesses” as independent contractors to conduct evaluations and provide expert testimony in the courtroom, may budget for this expense. However, the project may only be charged for costs above what the jurisdiction is required to cover. The maximum allowable rate for witness fees is \$250 per hour up to \$2,000 per day. The total amount budgeted for expert witness fees must not exceed ten percent (10%) of the project’s total budget. Requests for proposed expert witness costs must be accompanied by written justification indicating the following:

- qualifications, training, and experience of the expert(s). Include a statement regarding recognition by the court of the individual as an expert;
- specialized certification/licensure [e.g., Masters in Social Work (MSW); Licensed Clinical Social Worker (LCSW), Marriage and Family Therapist (MFT), Medical Doctor (MD)];
- rate of pay per hour, including documentation of a survey of the availability of similar consultants, the current “going rate,” and the proposed rate of pay with a cost breakdown if expert is paid according to services (e.g., mileage, waiting time, court testimony);
- proposed services to be provided (e.g., analysis of forensic evidence, psychological evaluation);
- justification for why this cost cannot be paid with county funds (attach the justification to OES A303b).

7. Facility Rental (RH 2232)

Up to \$21 per square foot annually (\$1.75 per square foot per month) is allowed for facility rental. If the rental cost for office space exceeds this rate, it must be consistent with the prevailing rate in the local area. This documentation must be on file and available for audit and should not be submitted with the application.

a. Rental Space for Training and Counseling Rooms

Rental space for training and individual and/or group counseling rooms may also be charged to the grant providing the charge is based on actual costs and not reimbursed by other source.

8. Rented or Leased Equipment (RH 2233)

An explanation and cost analysis is required when equipment rented or leased. This analysis must demonstrate it is more cost-effective to rent or lease the equipment than it is to purchase it, and must be approved by OES prior to the execution of a rental or lease agreement.

9. Indirect Costs/Administrative Overhead (RH 2220)

Indirect costs are those not readily itemized or assignable to a particular project, but necessary to the operation of the organization and the performance of the project. The costs of operating and maintaining facilities, accounting services, and administrative salaries are examples of indirect costs. Flat rates not exceeding ten percent (10%) of personnel salaries (excluding benefits and overtime) or five percent (5%) of total direct project costs (excluding equipment) may be budgeted by the applicant for indirect costs if allowable by the funding source.

10. Audits (RH 8150)

OES projects expending \$25,000 or more of OES grant awards are required to complete an audit. The project may budget for the cost of obtaining a financial audit. Allowable audit costs are as follows:

- if the total amount of the grant is less than or equal to \$150,000, the project may budget up to \$2,000 for the financial audit cost; or
- if the total amount of the grant is greater than \$150,000, the project may budget up to one and a half percent (1.5%) of the total grant for financial audit costs.

11. Equipment (RH 2300)

Equipment is defined as nonexpendable tangible personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit (including tax, installation and freight).

A line item is required for each different type of equipment, but not for each specific piece of equipment (e.g., three laser jet printers should be one line item, not three).

a. Allowable Expenses

Equipment may be budgeted if it is essential to the implementation of the project and to be used solely for project activities. Grant funds may not be used to reimburse the project for equipment already purchased.

Rented or leased equipment must be budgeted as an Operating Expense. Lease-to-purchase agreements are generally not allowable. If a lease-to-purchase is requested, the project will be required to submit justification, including cost-effectiveness. Prior approval by OES is required.

Equipment purchased in whole or in part with state or federal grant funds is the property of the state or the federal government. However, under certain conditions, equipment may be transferred to the r project at the end of the grant period. Satisfactory compliance with the Grant Award Agreement will be reviewed in considering the transfer of equipment.

b. Computers (RH 2340)

1) Community-Based Organization (RH 2242.1)

Community-based organization may budget up to \$25,000 in computer equipment, software, and related costs. OES will evaluate the proposed purchase on the basis of grant-related need. Prior approval by OES is required. The Recipient will be sent instructions for preparing the justification.

2) Units of Government (RH 2342.2)

Units of government may budget for computer equipment, software, and related costs. OES will evaluate the proposed purchase on the basis of grant-related need. OES must give approval prior to purchase. If federal grant funds totaling in excess of \$100,000 are used for automated data processing purchases, prior federal approval is also required. he Recipient will be sent instructions for preparing the justification.

3) Computer Purchase Justification (RH 2341)

Approval for purchases of computers and automated equipment is contingent on the applicant's ability to demonstrate cost-effective, project-related need which is best demonstrated by clearly relating each computer system or component to the grant objectives and activities. The Recipient will be sent instructions for preparing the justification.

c. Automobiles (RH 2331)

Automobiles are not allowable items unless permitted by the terms of the program. If an automobile is included in the budget, substantial justification demonstrating the grant-related need will be required before finalization of the Grant Award Agreement. The justification must describe the need for the automobile, including the size of service area, the need to provide direct service away from the office, and the reason why the agency will not allow personal automobiles usage during work hours. A cost analysis for automobile purchase as compared to other options including lease and personal automobile use and mileage, must be done and kept on file for review by OES's program staff during a site visit, monitoring visit, and/or audit.

12. Prohibited Expense Items (RH 2240)

a. Lobbying (RH 2242)

Refer to RH 2242.1 for an extensive list of prohibited activities.

b. Fundraising (RH 2243)

OES grant funds cannot be used for organized fundraising including financial campaigns, endowment drives, solicitation of gifts and bequests, or similar expenses incurred solely to raise capital or obtain contributions.

c. Real Property and Improvements (RH 2244)

Real property including land, land improvements, structures and their attachments, and structural improvements and alterations are not allowable expenditures unless authorized in the RFA instructions.

d. Interest (RH 2245)

The cost of interest payments is not an allowable expenditure unless the cost is a result of a lease/purchase agreement.

e. Food and Beverages (RH 2246)

The cost of food and/or beverages at grant-sponsored conferences, meetings, or office functions is not an allowable expenditure.

f. Weapons and Ammunition (RH 2247)

g. Membership Dues (RH 2248)

The cost of membership dues for the licensing or credentialing of professional personnel is not an allowable expenditure unless it is part of a governmental negotiated benefit package or is specifically authorized in the RFA instructions.

h. Professional License (RH 2248)

The cost of a professional license is not an allowable expenditure unless specifically authorized in the RFA instructions.

i. Annual Professional Dues or Fees (RH 2248)
